Mr. Tanner, Senior Advisor

Guidance Understanding Inspiration

To Mr. Lewis, Mr. Ratliff, and Mr. Tanner, in appreciation of their many services to the students of Cubberley High School, the 1961 TOTEM is gratefully dedicated.

Fifth Anniversary

Pictured with me are Dr. Henry M. Gunn, Superintendent of Schools, and Dr. Jack Rand, the Assistant Superintendent. Dr. Gunn announced his retirement as our district administrator in October, 1960, a few days before the picture was made.

Cubberley Senior High School was planned and constructed under Dr. Gunn's supervision. Our school is not quite five years old, yet it stands with the nation's finest in achievement and efficiency. The faculty and staff must share the honors for our continued progress in pursuit of quality. One year at Cubberley can hardly be said to be like all others, for improvements are constantly being tested and applied to our growing curriculum.

Several notable changes in classes and scheduling were successfully introduced to Cubberley in 1960-61. One-fourth of the student body took seven classes per day, instead of the traditional six; and Senior Social Studies classes were organized in groups which received team instruction from several teachers. The entire school adapted to a rotating class schedule., giving us greater flexibility and efficiency. Life was seldom dull.

Cubberley's student body rose to 1350, a record attendance, as 496 sophomores came "galumphing" through the doors. We are a large high school; nevertheless, Cubberley retains a spirit and a quality which binds us together. Surely the record presented by the TOTEM will help us recall our unique ties, our accomplishments, and our unfinished tasks.

Members of the senior class instigated several important changes in Cubberley's governmental structure. The success of the Board of Welfare, the new smoking laws, and Operation Re-vamp have been largely due to the actions and efforts of the Class of '61. Black and Gold, the newsletter emphasizing school government, has been created almost entirely by seniors.

Seven seniors were selected as finalists in the National Merit Scholarship competition and sixteen others were awarded letters of commendation. Last year's two calculus students had to commute to Stanford, but this year's four students explored higher mathematics on campus. Two Cubberley seniors won the coveted first prize at the Palo Alto Science Fair and with their project may go to bigger things.

The seniors sponsored "Mistletoe Magic," the Christmas dance, as well as "Neptune's Kingdom," and a two-in-one operetta. At the end of the year Senior Night, the class picnic, and grad night were the last social activities before graduation to college or career.

COUNCIL MEMBERS — Standing: Tom Hall, Bruce Kentera, Pete Habley. **Sitting:** Sue Pera, Kathy Kenyon. **Missing:** Jan Shapiro, Pat Gilles.

KIKUE ABE
Girls' Sports 2,3; Social Committee 2; Youth Choir 2,3.
Quiet on the surface, explosive underneath, Kikue savors Pepsi and French fries — people "who nag all the time" bother her — employed both as a typist and babysitter — after leaving Cubberley, she'll either work or attend business college.

ROBERTA ALLEN
Girls' Sports 1,2,3; Golden "C" 3; **Catamount** 1; "Y"-Teens 1; **Totem** 3; Stage Crew 3; Literary Club 3; Social Committee 2.
"Sam' is either eating, laughing, or telling super-duper science fiction stories — famous for her enormous purses and piles of history books — always reading something — next year will find her at San Jose State studying to be a history teacher.

MICHAEL ADAMS
Wrestling 1,2.
Mike is wild about cars — always talking about them — he also likes machine shop and Italian food — hates "going to school on Monday morning" — the years after graduation will find him in the Navy.

DON ALLISON
"Y" Club 2,3; Palo Alto City Basketball Team 3.
"Don" is very much an individual — distinguished for his casual appearance — idolizes Hughie Long — blond and blue-eyed — quite intellectual.

SALLY JO ADDICOTT
Church Group Officer 1,2; Member 3.
Sally loves babies, painting, crab, sewing, matching clothes, and chewing gum — has fabulous memory — avoids crowds — writes herself notes — dislikes makeup or being called "Sally Jo" — will attend Chico State, go into teaching and get married.

MICHELE MARIE AMBER
Peppy "Mickie" adores excitement, basketball, and fun in general — became a Cougar only this year —has a taste for "good food" — habitual saying is "how rare" — home base is Los Angeles — plans to attend college — future after that is undecided.

English

This year tape recordings have been introduced in the English Department as a new learning technique. Mrs. Katterjohn, nationally known reading expert and textbook author, has been conducting an experiment in remedial reading which involves, by the use of a tape recorder, the synchronization of sight and sound. This technique has resulted in decided gains in student comprehension and vocabulary. Mr. Tanner and Mr. Ratliff used the recorder to communicate to individual students suggestions and comments on their papers. However, the present shortage of tape recorders has limited the progress of the project.

Folio II, Cubberley's literary magazine, provided an outlet for the creativity of student artists, writers, and photographers. Under the supervision of Mr. Turner, the Catamount, expanding in quantity as well as quality, appeared for the first time as a four-page paper.

"You aren't seniors yet," lectures Mr. Jadwin to one of his spirited junior English classes.

"Although you're seniors," Mr. Tanner warns his weary G block English class, "you haven't graduated yet."

Seated: Mrs. Forsberg, Mrs. Lawrence, Miss Brown, Mrs. Adams, Mrs. Turner. **Standing:** Mr. Miller, Mr. Chanteloup, Mr. Strong, Mr. Smith, Mr. Cronin, Mr. Roberts, Mr. Bassett.

Social Studies

Cubberley's "forward look" in education was well demonstrated by the Social Studies Department. Mr. Cronin, Department Head, scouted new ideas in Eastern schools.

Team teaching was initiated under the direction of Mr. Smith, Mrs. Turner, and other members of the Social Studies Department. The major goal of team teaching was for students to be exposed to specialists in various phases of social studies. 380 seniors under five teachers studied Contemporary U. S. History, sociology, anthropology, communism (and Communism), and psychology. The new setup afforded the student more time for conferences with his teacher, exposed him to varied viewpoints, utilize many outside speakers and the services of excellent audio-visual devices. The spacious new history lecture hall in the H-wing housed group meetings and became an all-purpose room as well.

The former Sophomore Goals program was replaced by a Contemporary World Problems course, taught by an ex-banker and a former TV teaching expert. Miss Brown enriched her classes with slides of her summer trip to the USSR.

While England will claim our Mrs. Turner next year, this year still finds her teaching history to the apparent pleasure of her classes.

A History section enjoys a moment of relaxation while Mr. Smith, one of our team teachers, reorganizes his notes.

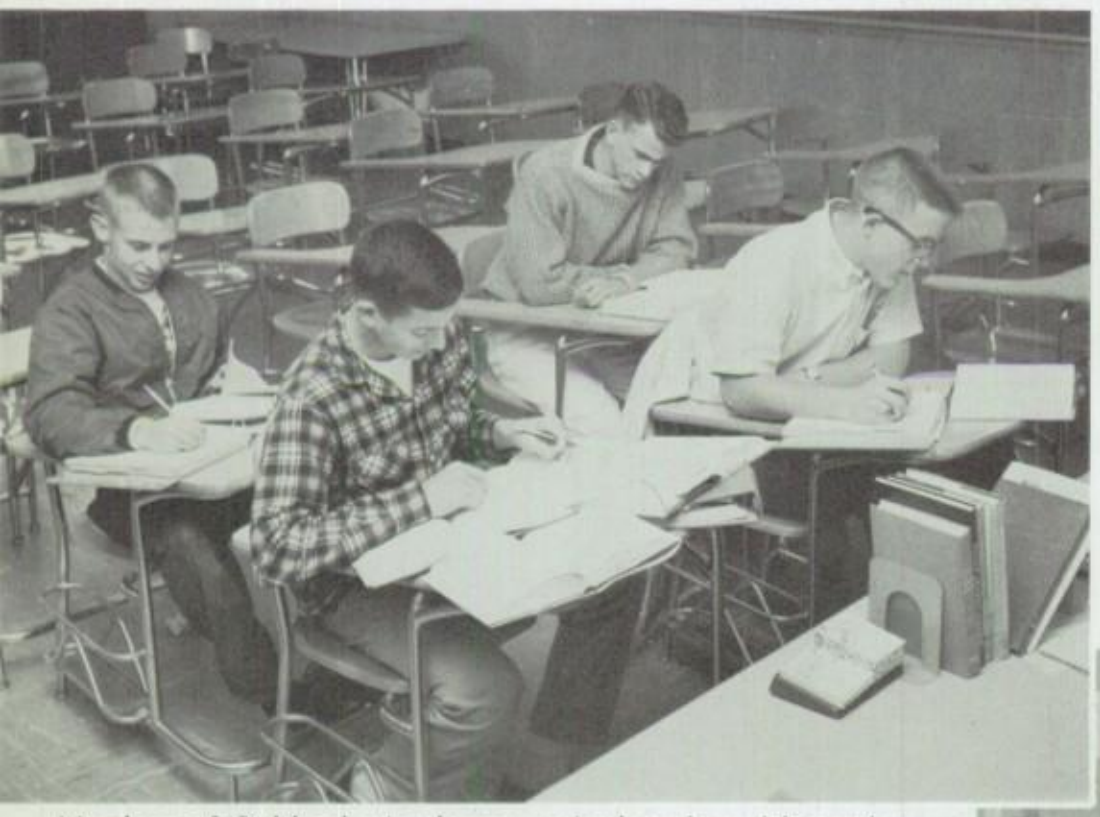
Seated: Mrs. Herriot, Mrs. Forsythe, Mrs. Birkenbeul, Miss Hurst, Mrs. Olinger. **Standing:** Mr. Furr, Mr. Collins, Mr. Starkey, Mr. Walker.

Mathematics

Cubberley's progressive mathematics department extended the School Mathematics Study Group program to almost all math classes this year. SMSG is no longer an experimental project but is a nationally recognized program. Cubberley's Mrs. Herriot appeared on the televised Continental Classroom as the Bay Area coordinator of the SMSG program.

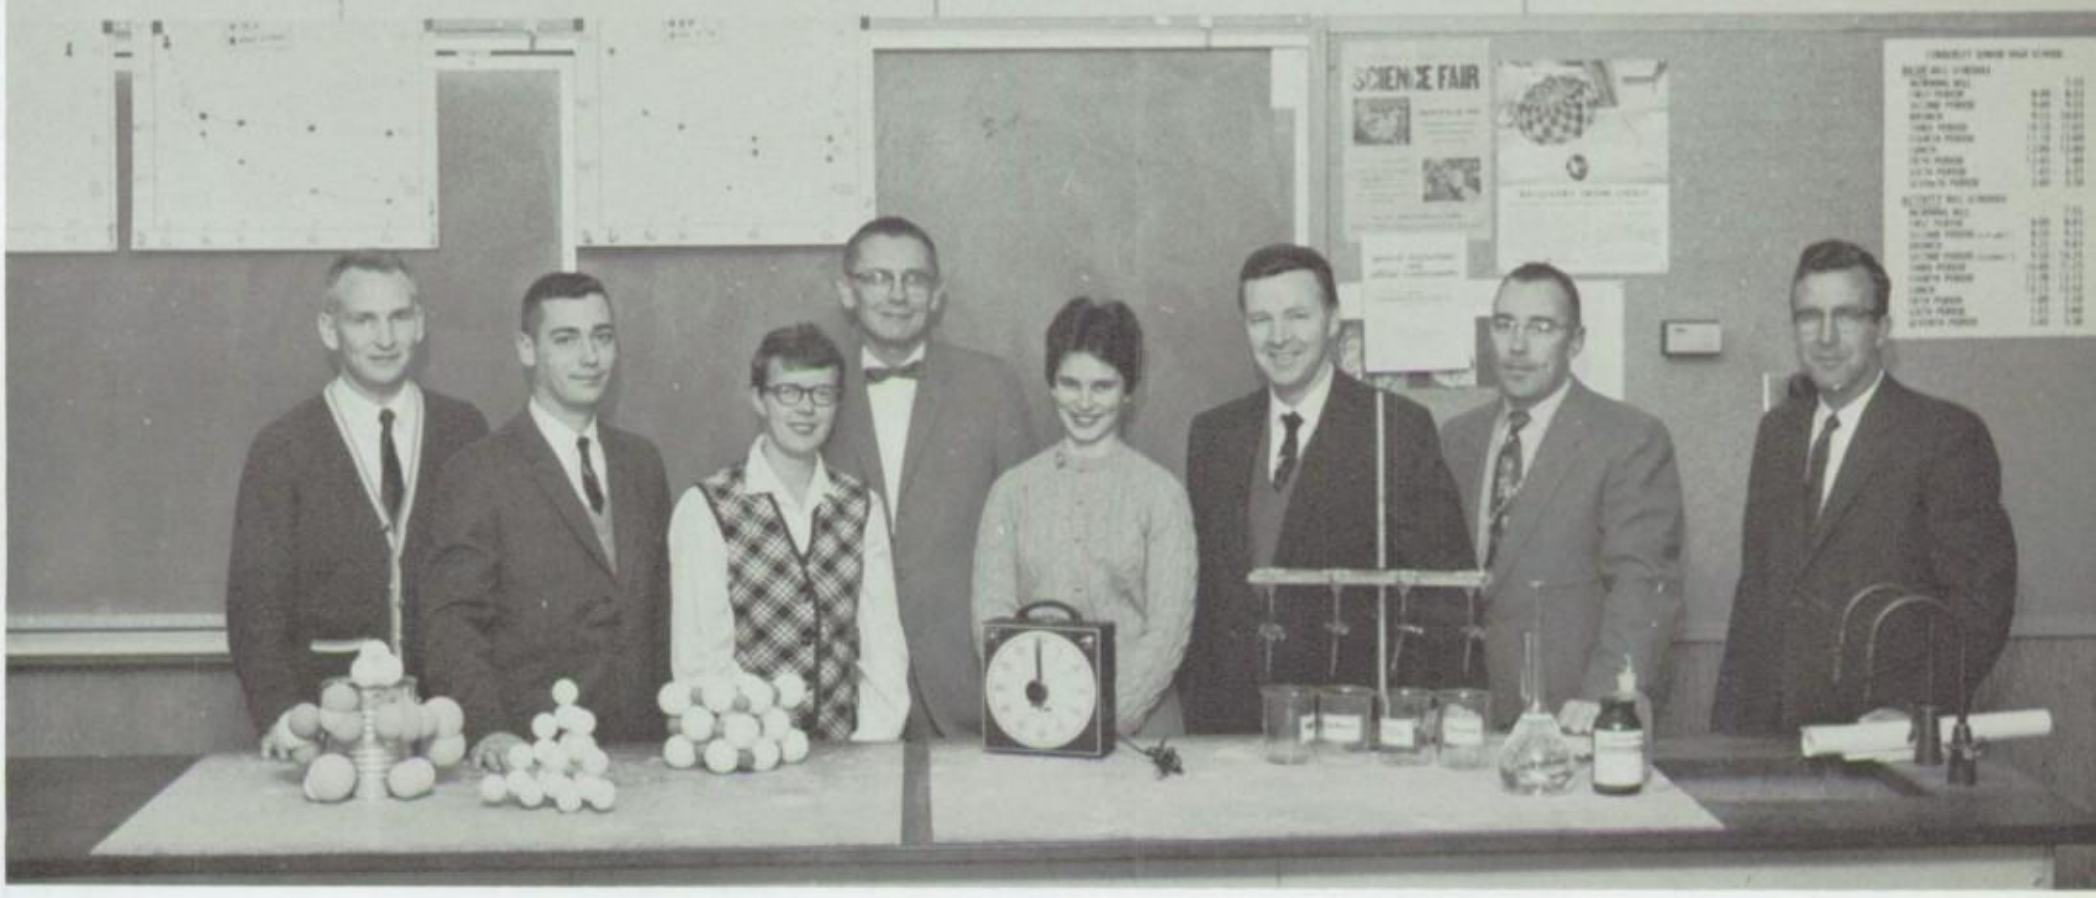
A calculus class was initiated at Cubberley at the start of this year with Mrs. Forsythe as teacher. The addition of calculus to the math curriculum allowed advanced students to begin college math before their graduation.

All A-Lane math classes were assigned math projects for the spring of '61 to enlarge their concept and appreciation of mathematics.



Members of Cubberley's charter calculus class diligently "attack" their text, or texts in Rick Bakalinsky's case. Rick grabbed two extra books from teacher Mrs. Forsythe's desk for effect.

Stan Oswald proves, with a piece of chalk and a knowing smile, that he has done his homework. "Given a quadrilateral . . ."



Mr. Hurst, Mr. Castlellani, Miss Woodcox, Mr. Granholm, Miss Timoshenko, Mr. Butterfield, Mr. Parrish, Mr. Bartholomew.

Science

What's new in the Science Department? Techniques developed last summer by the combined efforts of college and high school teachers — including Cubberley's Mr. Parrish — were successfully incorporated in this year's Chemistry classes. The improved chemistry course emphasized laboratory work and discovering the "why" of chemistry.

An experimental biology program, new this year, was studied by five classes. The biochemical approach and a brand new organization marked the "new look" for traditional biology.

Mr. Bartholomew built mountains in a sand box and led his new Earth Science class through the study of such subjects as geology and topography in the successful first year of this course.

The new H-wing provided modern laboratories, equipment and a storeroom. The previous biology rooms became chemistry labs to provide additional facilities for our Science Department.

Chemistry class absorbs "grams of wisdom" from Mr. Butterfield.

Not hypnosis! Just optics a la advanced physics by Mr. Bartholomew.

Mrs. Smith, Miss Larsson, Mrs. Jones, Miss Tully, Mr. Gamez, Mrs. Baran, Mr. Finch, Mrs. Bibault, Mr. Pope.

Languages

Although no new languages were introduced this yea several were extended another year, or increased in scop Second year Russian afforded students who pioneered the Cubberley Russian program last year to continue. fourth year Spanish class and a third year German stu group were also added. The advanced German studen gave up their lunch time several days a week to meet. Al new was an advanced standing French program which a forded qualified students the opportunity to advance mo rapidly and deeply than the regular classes.

More classes utilized the language lab equipment th year, and our collection of tapes multiplied. Mrs. Bibau known to French and Russian students as the lady under t headsets, efficiently ran the mass of machines and fou time to assist with clerical chores.

Ability to comprehend humor in a language denotes greater fluency in that language. Senor Gamez's fourth year Spanish students certainly appear to be fluent.

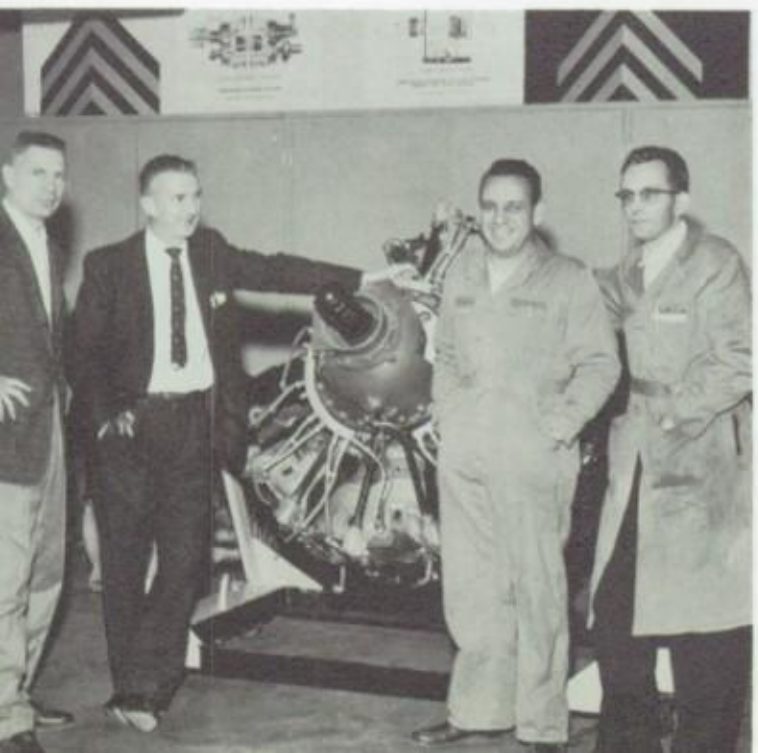
Russian students are listening intently to the pronunciation of their new password, bawa kawa. In their opinion, with the present world situation, a mispronunciation could be fatal.

Commercial Arts

In the Commercial Arts department students are offered courses in typing, shorthand, bookkeeping, office machines, and general business for their own use or as preparation for future jobs. After a business course some students have the opportunity to practice their skills in a school office. Mr. Gates, Mr. Rosenberg, Mr. Collins and Mr. Hathaway teach business courses.

Home and Family

Courses in home furnishing, dress designing, and child care, as well as beginning and advanced courses in sewing and foods, were studied this year by girls interested in the field of home and family. Classes, under the direction of Mrs. LaMetre and Mrs. Birkenbeul, occasionally used the lounge connecting the cooking and sewing labs for teas and fashion shows.



Industrial Arts

Mr. Merkley, Mr. Burnes, Mr. Riddle and Mr. Smartt instruct industrial arts students in courses ranging from auto and metal shops to drafting and industrial drawing. Mrs. Esther Tanaka spent her time in the new graphic arts room, K12, which contains equipment able to do such things as reproduce whole pages from magazines.

The Great Big Doorstep

Ever own a doorstep, but not a house to go with it? This was the problem around which the plot of 'The Great Big Doorstep' revolved. The Crotchets found a beautiful front doorstep floating down the river. When they try to find a house to go with it, misfortune after misfortune occurs. Lilies finally pay the way for the Crotchet's new house. One homeless doorstep finds a home. Congratulations to Cubberley players on a very successful ninth production.

Cubberley's Art Department provides a comprehensive program for all students interested in art. Art majors have unusual opportunities; for example, several of them are taking college art classes Saturday mornings at San Francisco Institute of Art. The art club utilizes field trips for sketching. Other students study art through art history and beginning art classes. Numerous posters and exhibits around Cubberley this year show the excellence of the Art Department's efforts.

This year's Concert Band, Cubberley's largest yet, presented its big sound at the Christmas Program, the Spring Concert, and school assemblies. The band also played for the Jr. Highs in the area.

The String Orchestra, with a number of accomplished musicians, was able to present challenging music at school programs.

The Full Orchestra, a combination of the String Orchestra and select wind players and percussionists from the band, presented music from the classics to the contemporary at Music Department programs.

This is the first year Cubberley has had an organized Dance Band and in future years Mr. Hornbeck will have to work hard to get together as good a group as this is. They will long be remembered for their soft melodious strains drifting across the dance floor.

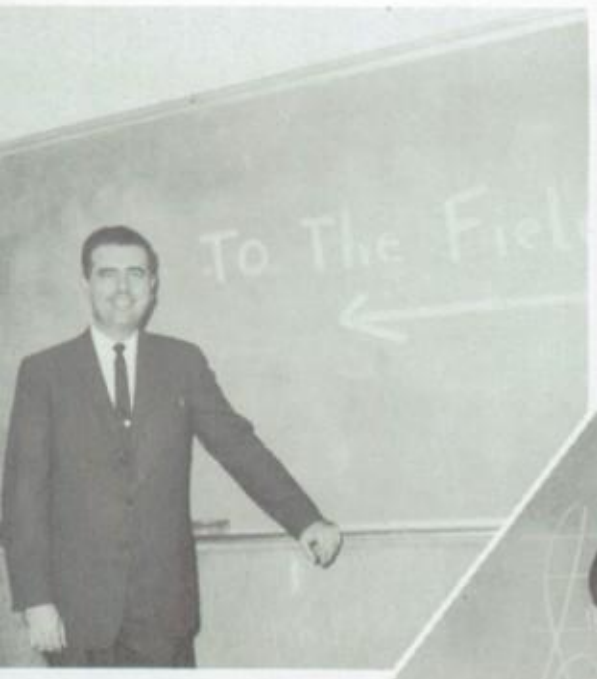
MARCHING BAND — As can be seen, the Marching Band had a busy season: five half-time shows were presented; the Cougar Band held its Jr. High Band Day, with Wilbur and Terman as the honored bands; to close the season for the year the band marched in the May Day Parade. season the Drum Major, Carlberg Jones, was joined by three spirited Majorettes: Bev Oswald, head majorette, Judy Bradley and Sandy Kenn The girls had unique routines for all the shows, and with Carlberg, led the band through a successful season.

BARBERSHOP QUARTET — Steve Cornils, Brian Boortz, Doug Strawn, Carlberg Jones.

Members of both the instrumental and vocal departments, these four sing Barbershop mainly for the enjoyment of themselves and their friends. They have also sung for church groups and school programs.

TRIPLE TRIO — First Row: S. Perkins, J. Littell, N. Yoshida, M. McClellen. **Second Row:** G. Buss, B. Kennedy, B. Brown, M. Hatch. **Third Row:** L. Morgon, T. Baker, K. Pederson, P. Bachman.

The Triple Trio and its three alternates are selected from the younger members of the choir.



Mr. Hornbeck, who orders the Marching Band "To the field!" in the fall, also directs the Concert Band, the Girls' Glee Club and the Triple Trio.

Mr. Peters directs the two orchestras, the Choir, the Chorale, the Gentleman Songsters, and teaches the Music Appreciation class.

The Cubberley Music Department sponsored a clinic for vocal students from the school district, at which Jester Hairston was invited to direct the students in singing his arrangements of various spirituals. Mr. Hairston is a composer and an actor — he played the Kingfish's brother on "Amos 'n' Andy" for fifteen years.

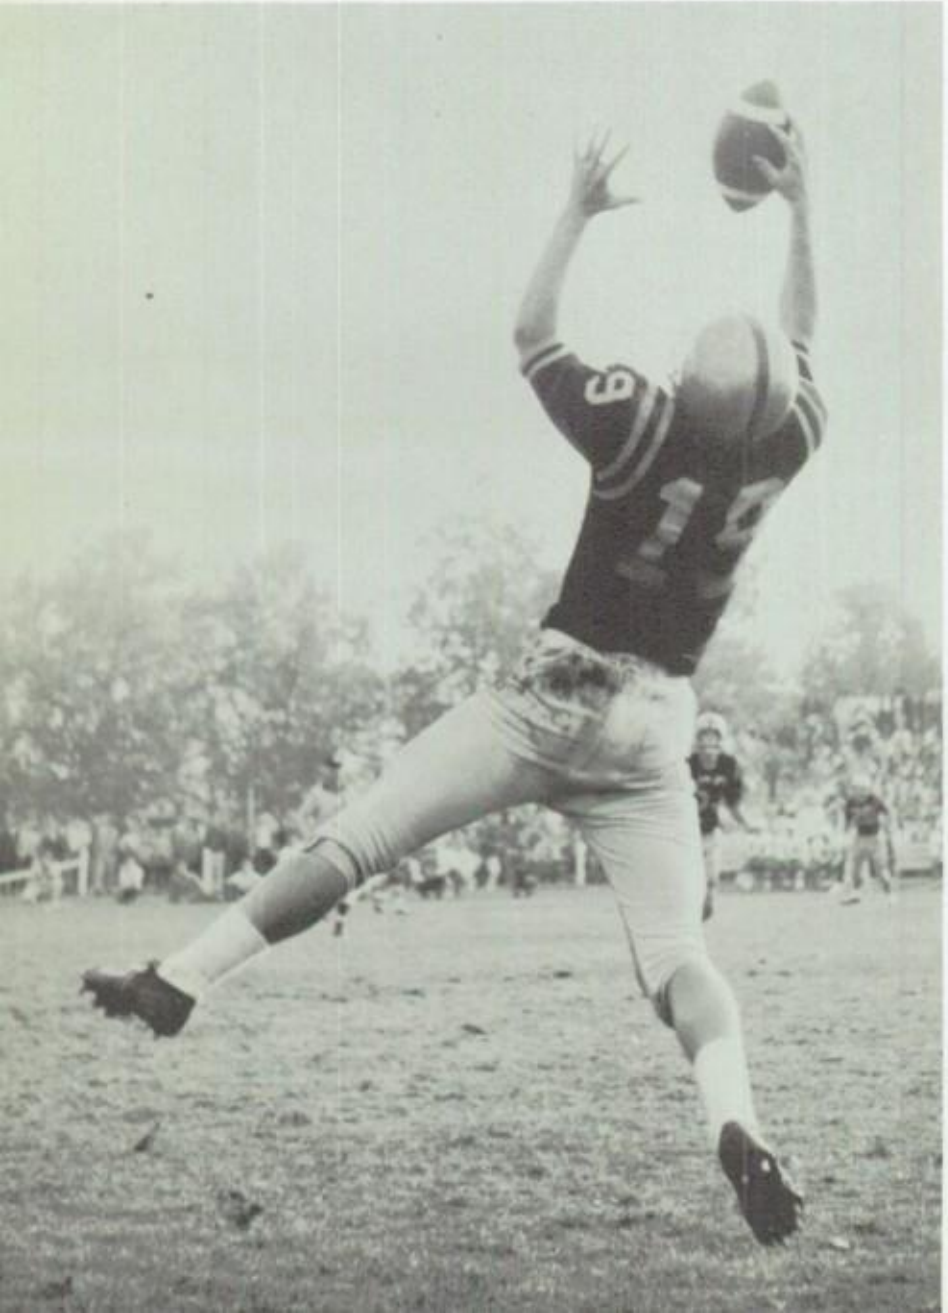
Kent Weber intercepting a pass against Palo Alto



Varsity

The 1960 Cubberley Varsity played better than pre-season estimates as they piled up a record of 7 wins and 2 losses. Bud Presley took over the coaching job from Bob Jones and instilled in his team the same kind of scrappy spirit his basketball squads have shown in the past.

Kicking off the season, the battling Cougars knocked off Tennyson of Hayward in a non league thriller, 25-19. Cubberley's four touchdowns came on a 3 yard run by halfback Kent Weber in the first quarter and three runs by Don Castle in the second half. Quarterback Castle scored on runs of 3 and 11 yards and on a brilliant 71 yard kickoff return in the final 90 seconds. The victory was preserved when speedy Bruce Bellandi nailed Lancer McMillen on the Cubberley 5 inch line.

Cubberley travelled to Saint Francis for the second non-league tilt, and scored in every quarter to halt the Lancers' 3 game winning streak. In the first half, Castle passed to Bellandi on plays of 24 and 32 yards for the two touchdowns of that half as the rugged Cougar defense held the Lancers to 1 yard rushing. Senior Odis Hamilton scored the only touchdown of his prep football career as he smashed over the 1 yard out in the third quarter. Defensive ace Weber intercepted a pass in the final period to set up a score by sophomore fullback Tom Horsley to finish the scoring in the 26-13 victory.

Cubberley's final practice game proved that size isn't everything as the Cougars defeated North Salinas 25-0. The Vikings had 13 players over 200 pounds. Cougar guard Russ Borthwick enjoyed a successful afternoon as he recovered a fumble in the first quarter and intercepted a pass in the last period. Castle used his recovery to set up his touchdown dash. and Pletsch tossed a pass to Singler after the interception for a 42 yard score. In the second quarter, Castle passed to Bellandi for a 55 yard touchdown play and Weber

scored on a 5 yard sneak after a recovered fumble by Tom McDougal. Kent also intercepted 3 passes to make possible the shutout.

The league opener matched Cubberley against Palo Alto in the city championship. The hero of the day was Bruce Bellandi as he scored all three Cougar touchdowns and intercepted two passes. In the first period, Castle fired a "home run" to Bellandi for a 67 yard touchdown play, then completed a shorter pass for a 10 yard touchdown early in the second period after Bruce's first interception. The end of the first half was the most exciting part of the game as the Cougars marched Bellandi's other interception to the Paly 6, only to have it moved back 15 yards on a penalty. Then Bellandi cut across the middle to catch a pass on his hip for Cubberley's final touchdown. The standout on defense for the Cougars was Kent Weber with his diving tackles and his leaping interceptions. Captain and center Buddy Mitchell intercepted a pass to be the deciding factor in the Viking defeat along with the other 4 interceptions by Weber and Bellandi. Cubberley remained Palo Alto champions with the 20-13 victory.

Cubberley's first loss of the season went to Carlmont as the Cougars were defeated on the strength of their mistakes and bad breaks high-lighted by a shoulder sprain suffered by Don Castle. Reserve quarterback Bill Pletsch turned in a fine performance but the Cougars fell 13-0.

Sequoia showed their championship form as they handed the Cougars their first defeat in a night game. Castle, working out of a short punt formation, was forced to throw because of his healing shoulder. The Cherokees wore down the spirited Cougars with their line which averaged 217 pounds per man. Sequoian Ted Sweeting stilled any hopes of a Cubberley victory with his 41 yard interception return in the third quarter to reach the final score of 18-0.

With competition diminishing, the confident Cougars travelled to Woodside to help the Wildcats make a good showing on their new field. The Cubberley team became frightened as their lead was but by a touchdown in the fourth quarter, but they tightened up to win it by a score of 13-6.

The Trojans from Ravenswood were completely overpowered in the first half, then held the Cougars to 38 yards rushing in the final periods. Weber slipped by for a 3 yard score to climax an 86 yard drive in which halfback Gil Moore went 28 yards on a pass play. The much improved Moore scored in the second quarter on a 4 yard touchdown dash. Cubberley's last touchdown came late in the half on a quarterback sneak by Castle. Tragedy struck Don after he had piled up 198 yards by the last three minutes of the game when he dislocated his shoulder on the down marker as he ran out of bounds. The final score was 20-6, but it was a costly victory.

Bill Pletsch filled in for Castle as the Cougars came from behind to defeat Menlo-Atherton in the traditional final game of the season. Cubberley defense allowed the Bears 117 yards rushing and a touchdown in the first half, then reorganized to stop them with only 7 yards in the remainder of the game as the winning touchdowns were scored. Weber led Cubberley in rushing with 100 yards and a touchdown. After he and Tim Morin set up a 6 yard scoring play for Gil Moore, Kent reversed his field on a fourth down situation for the winning touchdown in the 14-7 victory.

Honored in the post season polls were Bellandi, Castle, and Weber. Bellandi was nominated to the first teams of the North Coast, South Peninsula Athletic League, Mid-Peninsula, and Central Coast selections as well as named to the third team of the All Northern California ratings. Don Castle qualified for the first teams of the All Mid-Peninsula and All North Coast polls, the second team of the All S.P.A.L. listings, an honorable mention in the All Central Coast team, and was named the second best quarterback in Northern California. Kent Weber was given Honorable Mention in the S.P.A.L. selections.

The C's used a starting lineup of Kameda, Luthy, Ramiras, Hart and McComber. Despite a 3-11 league record this season, Ron Fell and Ken Luthy received Honorable Mention at the end of the season.

Coach Skillicorn directed the D's to a somewhat better 6-8 league season largely through the efforts of starters Grant and Marion at guard, Neill and Eshelman at forward, and Lieuallen at center. Honorable Mention was awarded to Bob Neill and John Lieuallen.

Varsity Basketball

Coach Presley started the season with a group of inexperienced players. From them he chose Bruce Asch, Bruce Kentera, and Don Castle for forward positions. Center position was eventually landed by Craig Cordes, the largest man on the team at 6-5. The two guard positions were handled by Ray Gale, Ron Lukasik, Bob Kunselman, and Jim Pollner.

The team entered into the non-league season with wins over Lowell, Fremont, the defeated St. Francis in an excitingly close game ending 36-32 in overtime. After a close defeat to Mountain View, 48-46, the Cougars were blasted by powerful Jefferson of San Francisco, 65-53. The last non-league game was lost in overtime to Buchser of Santa Clara by one point, 43-42.

To begin the league season, the Cougars faced another heavily favored Palo Alto team. The veterans on the Paly team made a difference as did the poor Cubberley shooting, and the Vikings won it 36-25. Carlmont was the next match for the team. The Cougars finally put together a fine game and upset the Scots, 51-41. Don Castle dislocated his shoulder in the fourth quarter, to be of little use the rest of the season. The biggest mistake of the year occurred when Kentera accidentally tapped in two points for the Scots. The tall Menlo-Atherton team proved to be too much for the defensive Cougars and the game ended a 50-41 defeat. The team rallied in the fourth quarter of the next game, but the 19 points was not enough to prevent the 59-56 loss to Sequoia. Ray Gale took the scoring lead from Asch in this game with 20 points. Ravenswood rallied in the last quarter, but the Cougars beat them back and won by one point, 47-46.

At the beginning of the second round of league play, the Cougars pleased Coach Presley with their victory over Palo Alto under his direction. Carlmont sought revenge for an earlier upset and smashed Cubberley, 43-32. After a 48-44 loss to M-A, the team defeated Sequoia, 51-47, then closed the season successfully by defeating Ravenswood, 37-16, in the best defensive effort of the season.

The final S.P.A.L. record of 7-5 and the overall record of 13-10 won recognition as the Coach of the Year for Bud Presley. Bruce Asch earned a position on the all-S.P.A.L. team, and Craig Cordes received Honorable Mention. Asch was also chosen the best defensive player in the league and the best rebounder.

Varsity Wrestling

This season could best be described a building year for Coach Doster and his squad, the underclassmen by far the majority of the team. The over-all meet record was 3-10-1, the three victories over Woodside, San Carlos, and Ravenswood. The S.P.A.L. Invitational Wrestling Tournament produced three champions: Gerard Takiguchi in the 127-lb. class, Ed Ramos in the 138-lb. class, and Ron Hull in the 145-lb. class. Hull also became a champion at the S.P.A.L. finals at the end of the season. Other places earned were Takiguchi and Ramos — 3rd place, and Bill Grant — 4th place.

B Basketball

This year the B's played the same schedule as the varsity, ending the season with a record of seven wins and thirteen losses. By far the highest scorer of the season was senior Pete Brennan, aided in scoring by Steve Carter, Jeff Gould, Jim Hendrickson, Nate Kimura and Bob Taylor. Honored in post season polls was Pete Brennan, who received Honorable Mention.

Varsity Track

So far this season, Cubberley's 1961 track team appears to be the finest in the history of the school. After losing only a few of its top performers from last year, the team remains strong in every event.

The first meet of the season proved a good example of our strength in track. Senior Tom McDougal won the two hurdles races in 15.9 and 21.1. The 880-yd. run was won by Bob Ballard, who later won the high jump at 6 ft. Fred Benjamin completed most of the work for his letter when he scored 16¼ points by winning the 100-yd. dash, 220-yd. dash, and broad jump, then ran the anchor leg of the relay team. In the mile, Ernie Long set a new school record with a 4:47.7 clocking. In the weight events, senior Don Castle put the shot 56 ft., 3 in., and whirled the discus 154 ft., 5 in. The final score in the triangular meet was Cubberley 108, Bellarmine 31, and St. Francis 1.

The second meet took place against Woodside, and the Cougars took a first place in every event. Castle broke the shot-put record with a put of 58 feet, 6¾ inches.

Cubberley's biggest test of the season was a meet with San Mateo, Carlmont, and the San Jose State freshman track team, rated one of the best in the nation. The best mark of the meet for the Cougars was a 6-2 high jump by Henry Brown, good for a tie for first place. Fred Benjamin leaped 21 feet, 11 inches to miss winning by a quarter of an inch over last year's prep champion, and set a new school record doing so. Ernie Long set a new record in the mile with a 4:45.0 clocking. Cubberley's 880-yard relay team of Benjamin, Cheadle, Asch and Hall won with a clocking of 1:32.2.

The Easter Relays provided one of the highlights of the peninsula track season. Cubberley again showed its strength with places in many events. McDougal took a fourth place in the high hurdles, and Benjamin placed third in the 100-yard dash. The familiar Cubberley relay team won the 44-yard race in 43.7, placed fourth in the medley relay, and tied for first in the 880-yard relay in a time of 1:31.1. In the high jump, Henry Brown and Bob Ballard took part in a three-way tie for second place.

The most spectacular win of the day was the shot put win by Castle with a toss of 58 feet, 11 inches, his best toss and a new record for the relays as well as the third best put yet this season by an American prep.

Coache Ida and Skillicorn can look forward to a great league season — probably a championship one if the team can beat Carlmont.

B Track

Our B track team declined rapidly in power from last year as a result of many promotions to the varsity of the stars. One of the strongest members this year is senior Greg McKelvey, a fast runner who wins the sprints and the broad-jump. Depth is provided by Steve Cornils, Pete Bradley, and Girard Takiguchi.

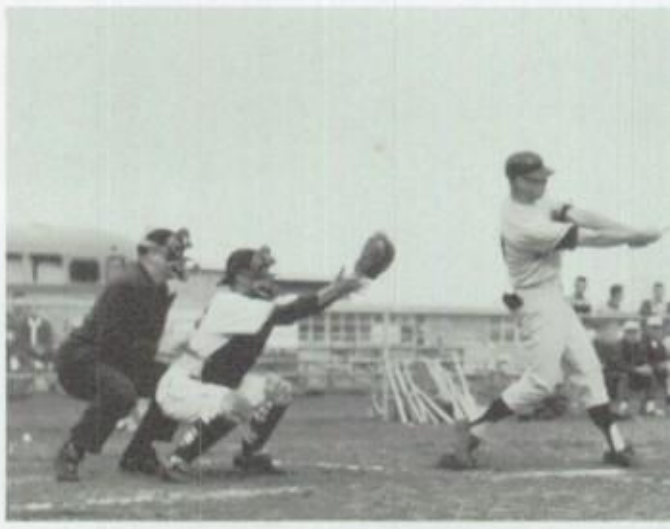
Pitcher Bruce Bellandi fires.

Cubberley is considered one of the finest baseball teams in the league this year largely because its nucleus is the group that represented California in the Babe Ruth League World Series two years ago. These players are Bruce Bellandi, Wayne Miller, Ray Gale, Bill Pletsch, Kent Weber, Norm Bjork, and Bud Mitchell. Miller and Bellandi are our star pitchers, two of the best right-handers in the league. The infield consist of Pletsch at first, Gale at second, Weber at shortstop, Miller at third, and Mitchell at the plate. Tim Steers plays third when Miller is pitching, and the outfield is played by Bjork, Morin, McCammon, and Bellandi when he isn't pitching.



Ball fouled off by Bellandi.

This season the Cougars are undefeated in five games. The weakness in the first two games seemed to be in hitting, as the team picked up only nine hits in victories over Cupertino and San Mateo. A second game with San Mateo was won by Miller with his fine pitching. In the next game, Miller entered the Cubberley Hall of Fame with a no-hitter against Tennyson. Cubberley hitting began in the fifth game when the Cougars pounded the Burlingame pitchers for thirteen runs. The team is rated the best in the league for ending Sequoia's domination of league championships.

Varsity Swimming

Coach Merkley calls this another building year. As our swimming pool is finally completed, he looks forward to an established S.P.A.L. team in the next couple of years. This year he expects about a dozen swimmens to qualify for S.P.A.L. recognition from last year's six. Our best swimmers are Doran Damitz, a sophomore with school records this year in the 400-yd. freestyle and in the 200-yd. individual medley in wins at Sequoia, and Jay Dore, a senior pioneer on our swimming team and owner of records. Next year the coach expects to have a full S.P.A.L. team, but this year the team has one victory over M—A's, B's in meets intended for experience.

Varsity Tennis

This year's tennis team has only five veterans of league play from last year. The first three matches this season have ended in defeat, two non-league matches and one league match. However, a better showing can be expected the rest of the season from number one player Al Dannenberg and the other players.

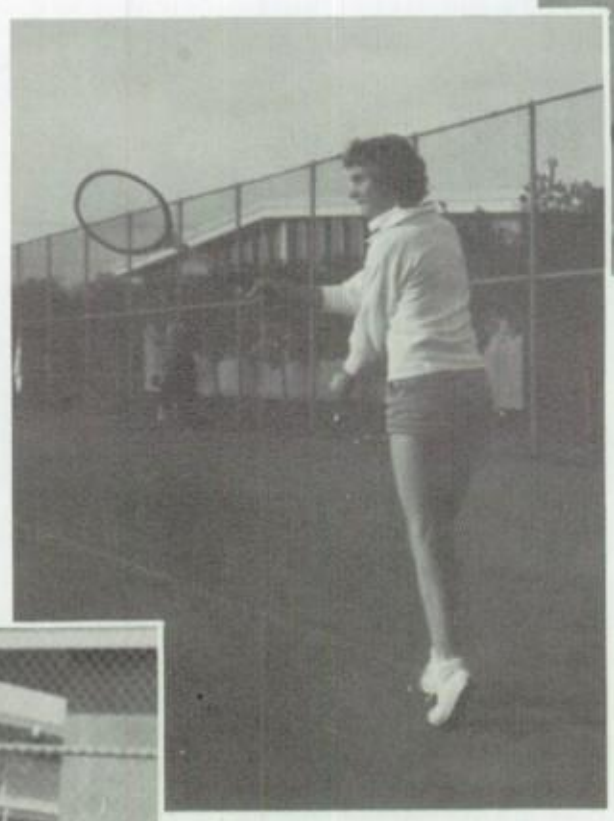
Tennis Team

Front Row — left to right: Lauri Flach, Sherry Bennington. **Back Row:** Nancee Hermanson, Barbara Carter, Lynda Brothers. **Missing:** Darlene Neva and Sue Cornwall.



Two years old this year, our tennis team had a good season. Regular practices were held twice a week with matches every two weeks. Our gals beat Paly but lost to Los Altos. The girls were chosen for their understanding of the game and talent. Next year we hope to strengthen our team, to arouse more interest, and play more schools.

THE TEAM

Linda Brothers **(upper right)** is a sophomore this year. She has a lot of potential with tennis. Linda has a great serve and lots of power. We hope to see her next year.

Nancee Hermanson **(next pic.)**, also a sophomore, is a good player. Just like Linda, this is her first year on a school team. We hope to see Nancee next year.

Sue Cornwall, a senior, is an "old-timer" at tennis. Besides two years on Cubberley's team, she plays in most bay-area tennis tournaments. Sue has a lot of power and a good serve.

Darlene Neva, a senior, is the most improved player around. She has developed a good serve and a strong arm. She plays summer competitional.

Barbara Carter, a senior, has a terrific forward drive. This is her first year on the team. She did very well.

Sherry Bennington, a senior, has been on the team two years. She has a good arm plus plenty of enthusiasm for the game.

Lauri Flach, a senior, is one of the best players the team had. Lauri has the arm and power, and is a great little driver.

We hope thatthe two girls returning next year, Linda Brothers and Nancee Hermanson, will put together a good team.

Basketball Team

For the first time last year the sports department organized a girls' basketball team. This year another team was organized. The team played Fremont twice — winning once and losing once — and Holy Cross — losing, 37-17.

Although we only won once the spirit of the Cubberley girls shone above all.

Through sponsoring lectures, discussions, and math contests, the honorary society stimulates interest in mathematics.

C. S. F.

The California Scholarship Federation as well as honoring academic achievement endeavors to be of service to its school. C.S.F.'s hoped for 1961 innovation is a joint "College Board" session with Paly members of the organization.

Front Row: S. Cornwall, C. Mitchell, L. Jenkins, M. McClellan, J. Hitchcock, J. Cook, C. Rakestraw, K. Minkowski, J. Young, V. VanDerveer, C. Sharko, C. Mathe. **Second Row:** S. Peterson, D. Baldwin, T. Pressman, D. Stanton, S. Henry, P. Lee, D. Searle, K. Okazaki, A. Furst, D. Tempey, S. Gilbert, S. Lowry, C. Coyte, J. Shelton, M. Siegel, B. Carter, K. Martin. **Third Row:** R. Chow, R. Vargus, J. Nichols, R. Bailey, J. Dore, C. Mitchell, G. Moore, P. deBarros, B. Coats, L. Hart, L. Ginzton. **Fourth Row:** J. Yonemoto, M. Swezy, P. Busch, P. McDowell, D. Shaffer, C. Colhouer, P. Lockwood, P. Brennan, C. Tempey, M. Hofmayer, J. Pollner, B. McIver, D. Castle, F. Robertson, B. Mitchell.

Junior Red Cross

Front Row: R. Kohler, J. Johnson, B. King. **Back Row:** P. Hensley, S. Bennington, D. Mowday, T. Hartstein, Miss Larsson, M. Hofmayer.

Once again Cubberley's chapter of the Junior Red Cross sponsored their annual carrot sale — a traditional money raising effort for projects which include sending school supplies to children in undeveloped areas.

Future Medical Association

F.M.A. helps students who are interested in various branches of medicine to reach a better understanding of their chosen field. Field trips and guest speakers are included in their program. Many members participate in volunteer hospital work to gain valuable experience.

Front Row: D. Bachman, C. Robb, C. Bishop, J. Cory, K. Smith, S. Abey. **Second Row:** S. Currie, L. Fong, P. Rawlings, S. Kugel, C. Ritz, R. Phelps, J. Kincaid, A. Nicol. **Third Row:** Mrs. Miller, C. Hart, J. Pigg, C. Gore, S. Wagner, P. Jessen, N. Mayer, J. Littell, D. Searle, L. Layburn, B. Young, K. Washburn.

Mr. Hamlin Smith pauses for a moment of contemplation during a forum debate on the 1960 presidential election.

Forum Club

Stimulating lectures, treks to the city, candle-lite caroling at Christmas, wind and smoke at the beach, informal discussion, argument, and debate — this is our Forum Club.

Members of the Los Altos and Cubberley Forum Clubs ponder unilateral disarmament.

International Club gathers to see Kent Weber's pictures of Spain.

International Club

International Club furthers its purpose of international understanding through many activities. These include Saturday night firesides at Stanford's International House, correspondence with brother and sister schools in Europe, special community activities, and bi-monthly meetings.

Mr. Gamez reveals his travels in Russia.

Publicity Committee

Keeping Cubberleyites up to date with current Cubberley events is a big job, but the Publicity Committee's workroom is never without a new poster or sign hanging up to dry.

Front Row: L. Brothers, D. Baldwin, D. Huber, L. Hollenbeck. **Second Row:** D. Hoyt, G. McDougal, L. Davis, B. Wathen, M. Bena, J. Yonemoto, N. Beeson, L. Hainer. **Back Row:** B. Helsaple, G. Rutlege, I. Geranen.

Social Committee

Get acquainted dances, the annual Halloween Dance, and the Senior Ball are well planned by the Social Committee for an evening of fun. Other dances are supervised by the committee.

Front Row: R. Nicholls, B. Brown, J. Shapiro, J. Johns, K. Smith, V. Robinson. **Second Row:** L. Flach, B. Wolf, M. Hookom, D. Grunewald, D. Dauler, A. Estrada, J. Phelps, Mrs. Turner.

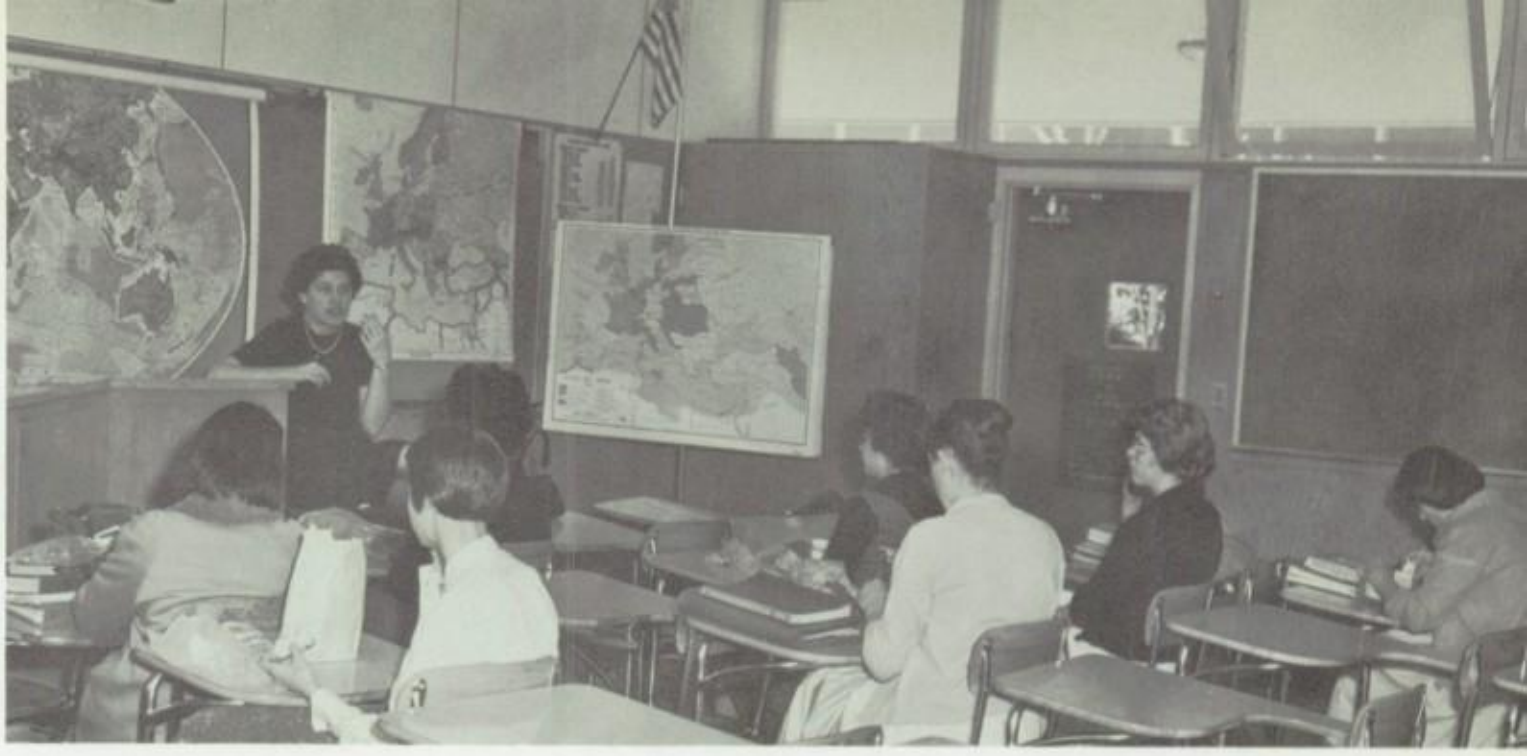
Recreation Committee

Connie's Recreation Committee organized the noon movie program and other highlights of this year's noon entertainment.

Front Row: L. Flach, C. Coyte, S. Gilbert, M. Greene. **Back Row:** P. Lockwood, K. McGoldrick, P. McDowell, D. Schaeffer, R. Nicholls.

Future Teachers Association

The Future Teachers Association offers students an opportunity to gather and discuss their interest in the teaching profession with guest speakers. Both evening and lunchtime meetings are held.



Election Board

The Election Board buzzed with activity this year as students continually came to the polls to vote on new issues such as Operation Re-Vamp; but no wonder, it was an election year.

Front Row: B. Alexander, S. Gilbert, V. Robinson. **Back Row:** L. Fong, R. Cohan, J. Cook.

Board of Welfare

The Welfare Board enforced Cubberley's new laws passed by the students this year and in doing so kept the student court busy interpreting these laws.

Front Row: J. Balboni, B. Pletsch, K. Nielsen, T. Allen, B. Bellandi, N. Schlosser. **Back Row:** J. Mason, D. Gambino, R. Hull, B. Asch, J. Culver, B. Kentera, T. Hall, S. Greene, L. Chandler.

Cafeteria Workers

Our cafeteria workers keep those trays flowing smoothly from the counter while we're hungrily waiting to eat.

Front Row: M. Sullivan, B. Bowen, S. Stevenson, S. Bennington. **Second Row:** D. Alldis, J. Sanchez, D. Green, G. Hawes.

Concessions

Members of the Golden "C" worked behind the lines during football season selling refreshments to hungry spectators. Profits went to the Golden "C" scholarship fund.

Left to right: S. Pera, J. Seremeta, L. Flach, S. Smith, A. Treiguts, C. Hart.

Brunch Committee

Rain or shine, the Brunch Committee, by selling delicious doughnuts, hot chocolate, and milkshakes helps us to endure those first four periods before lunch.

Front Row: S. Smith, B. Allen, R. Robinson. **Back Row:** S. McLennan, C. Sweeney.

Library Assistants

Working as a library assistant is not only work but fun, too, for the student who loves books and plans to become a librarian.

Front Row: J. Johns, C. Smiddy, M. Stenbit, B. Macedo, D. Reyes, C. Googe, J. Jacobson, C. Hanan, D. Searle, S. Currie, J. Quadro. **Back Row:** Mrs. Seward, Mrs. Hall.

Finance Workers

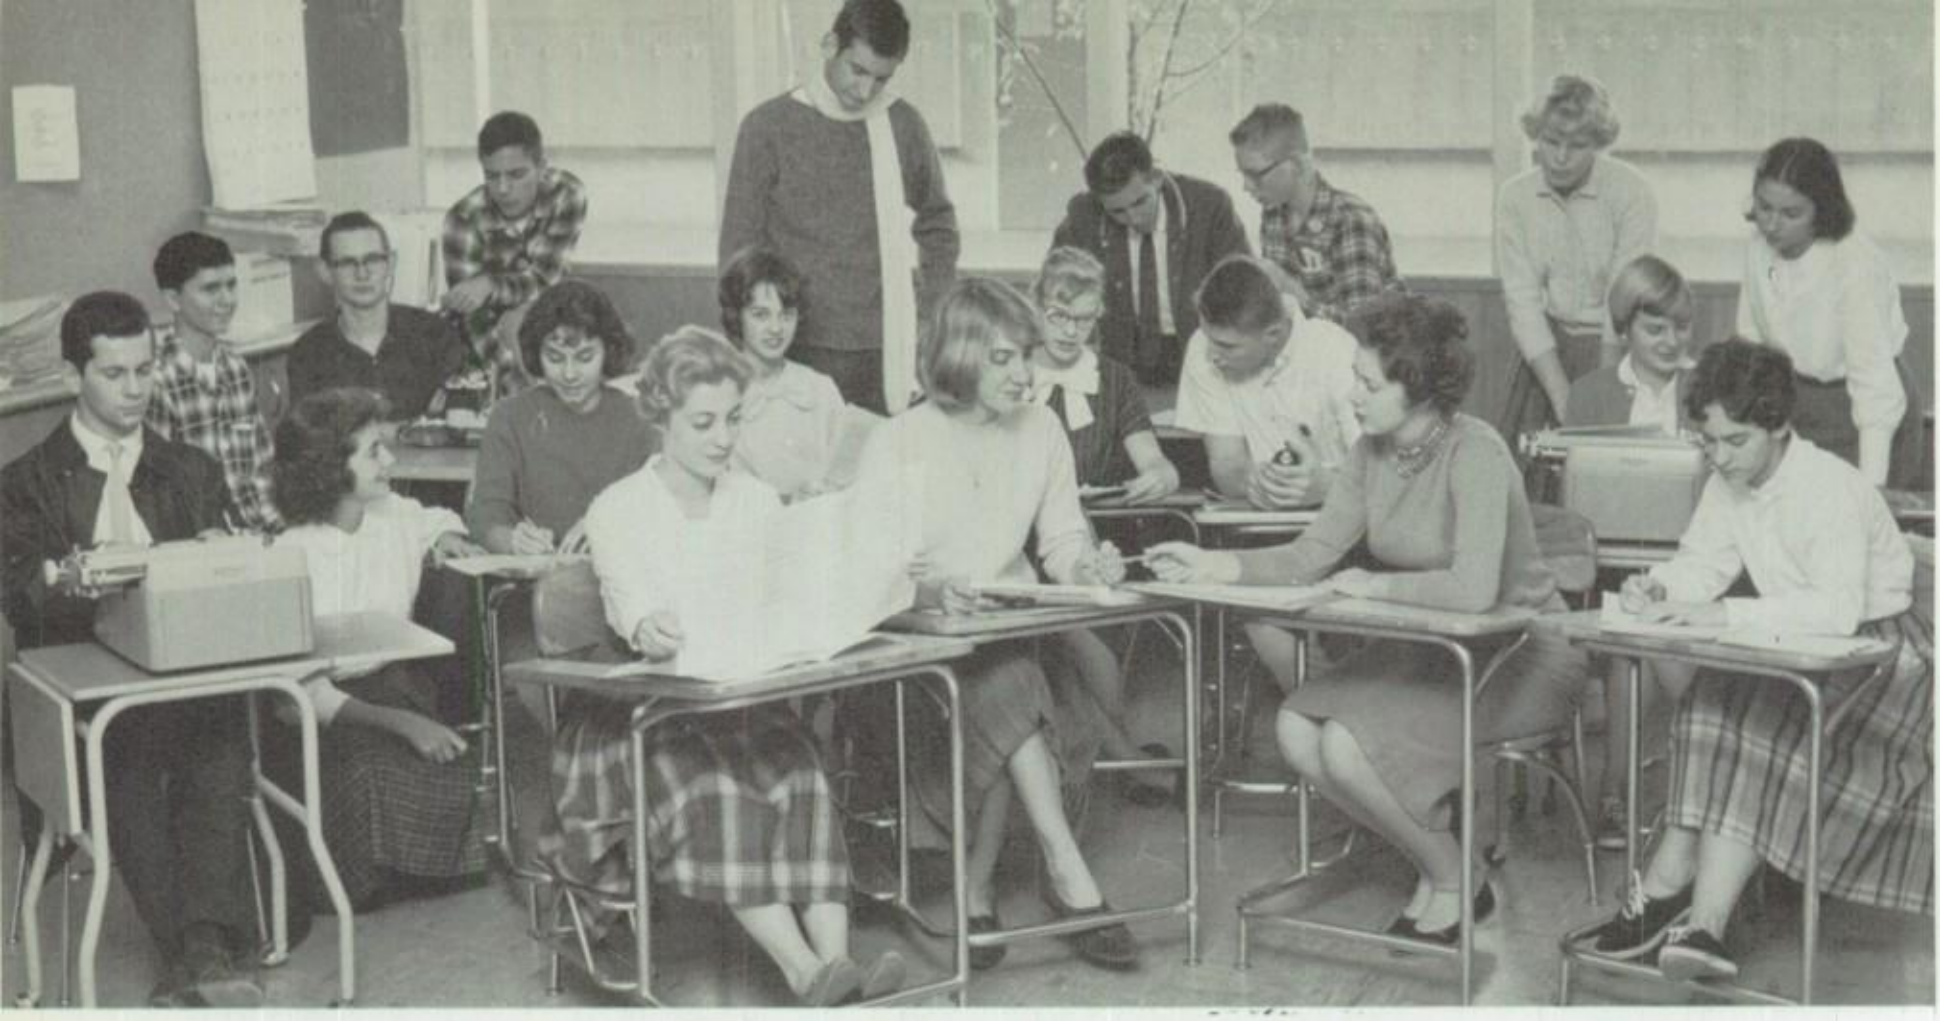
One of the duties of the Secretary of Finance is "to try to increase student body card sales," says Shelly Westall, but she performs many other services for Cubberley. Ticket sales, purchase orders, and monthly financial statements also come under the jurisdiction of Shelly and her helpers.

Left to right: T. Lam, C. Nelson, Mrs. Vincent, S. Westall.

Office Workers

These workers help keep numerous aspects of office administration running smoothly — collecting attendance and delivering call slips, for example.

Front Row: P. Nicholson, S. Berry, J. Simonini, C. Dannenberg, S. Mirrasoul, C. Walters, L. Armstrong, G. Guinasso. **Back Row:** J. Jennings, B. Wolf, B. Brown, R. Phelps, L. Bookbinder.



Catamount Staff

Front Row: C. Ledford (Circulation Editor), H. Smith (Editor), C. Leach (Managing Editor), M. Siegel. **Second Row:** R. Pollack, C. Coyte (Times Reporter), M. McCleary, D. Morris (Exchange Editor), D. Moser, R. Cohan, S. Orth, T. Pressman. **Third Row:** M. Bena, C. Mitchell, B. Rogers, R. McPherson, S. Schoenfeld, W. Farley, M. Swezy.

The challenge confronting the CATAMOUNT is always an unusual one, for the diversity of interest and activity in Cubberley's student body is never easy to reflect. Student government, social activities, sports, musical and dramatic activities, and educational experimentation at Cubberley are covered by the bi-monthly journal. The staff strives to present in the CATAMOUNT a forum of student opinion, to foment and illuminate controversial issues, and to become a sensitive record of the spirit of the school. The paper this year was augmented by a new advisor, Mr. John Turner, and a new folding machine. The 1960-1961 CATAMOUNT can proudly claim to be the first newspaper in the annuals of Cubberley history to have a fold.

Black and Gold

BLACK & GOLD is Cubberley's first and only school government news-letter. It is published in the hope of furthering better communication and representation between Students and their leaders. BLACK & GOLD provides a place where the students may express their concerns and questions relating to the Government and where leaders may officially communicate their plans, policies, and actions; that is, this News-letter is dedicated to helping build an atmosphere which will encourage Cubberley students to take initiative in facing and solving school problems.

Left to Right: Rick Cohan, Mr. Smith (advisor), Charmaine Colhouer (Editor), Virginia Van Derveer (Assistant Editor), Howard Auble, and Phil DeBarros.

Front Row: S. Graubard, R. Rutherford, C. Smith, S. Ney. **Back Row:** D. Stanton, J. Hitchcock, T. Cory, J. Johnson, D. Bailey, Mr. Pope, R. Easterbrook, H. Peralta.

Cycling Club

Cycling activities this year included rides through Los Altos Hills, to Memorial Park, and to Big Basin.

Blue Grass Club

Members of the club meet weekly to play Blue Grass music.

Standing: R. Wentler, B. Rogers, E. Thompson, L. Biesele. **Sitting:** J. Maddock, B. Coats.

Projection Crew

The Projection Crew shows films for classroom use, assemblies, and noon entertainment.

First Row: B. Kilburn, B. Dickson, D. Barkofsky, N. Johnson, J. Hodge, D. Stanley. **Second Row:** C. Sweeny, K. Barnes, D. Craven, G. Hoskinson, J. Armstrong, B. Kalsey, C. Mitchell, A. Bell. **Third Row:** B. Deforest, P. Black, B. Glaeser, G. Ruiz, J. Eason, B. King, J. Dore, D. Landsberg, B. Rogers.

Stage Crew

The Cubberley Stage Crew provides people interested in technical aspects of the theater with an outlet for their ideas and enthusiasm.

First Row: S. Locke, B. Hodge, B. Barling. **Second Row:** Mr. Buck, V. Theierl, R. Allen, C. Thompson, C. McKinney, J. Huston, L. Basham, S. Hollingsworth. **Not Shown:** M. Maurier.

K.C.H.S.

In addition to entertaining Cubberley with morning and noon shows, K.C.H.S. broadcasts vital information and events in the 9 o'clock bulletin.

First Row: J. Waggener, J. Dore, C. Sweeny, B. Deforest, H. Auble, B. Rogers, G. Ruiz. **Second Row:** J. Armstrong, P. Crews, B. Glaeser, L. Basham, N. King, J. Huston, N. Johnson, P. Drewek. **Not Shown:** P. Landsbergen.

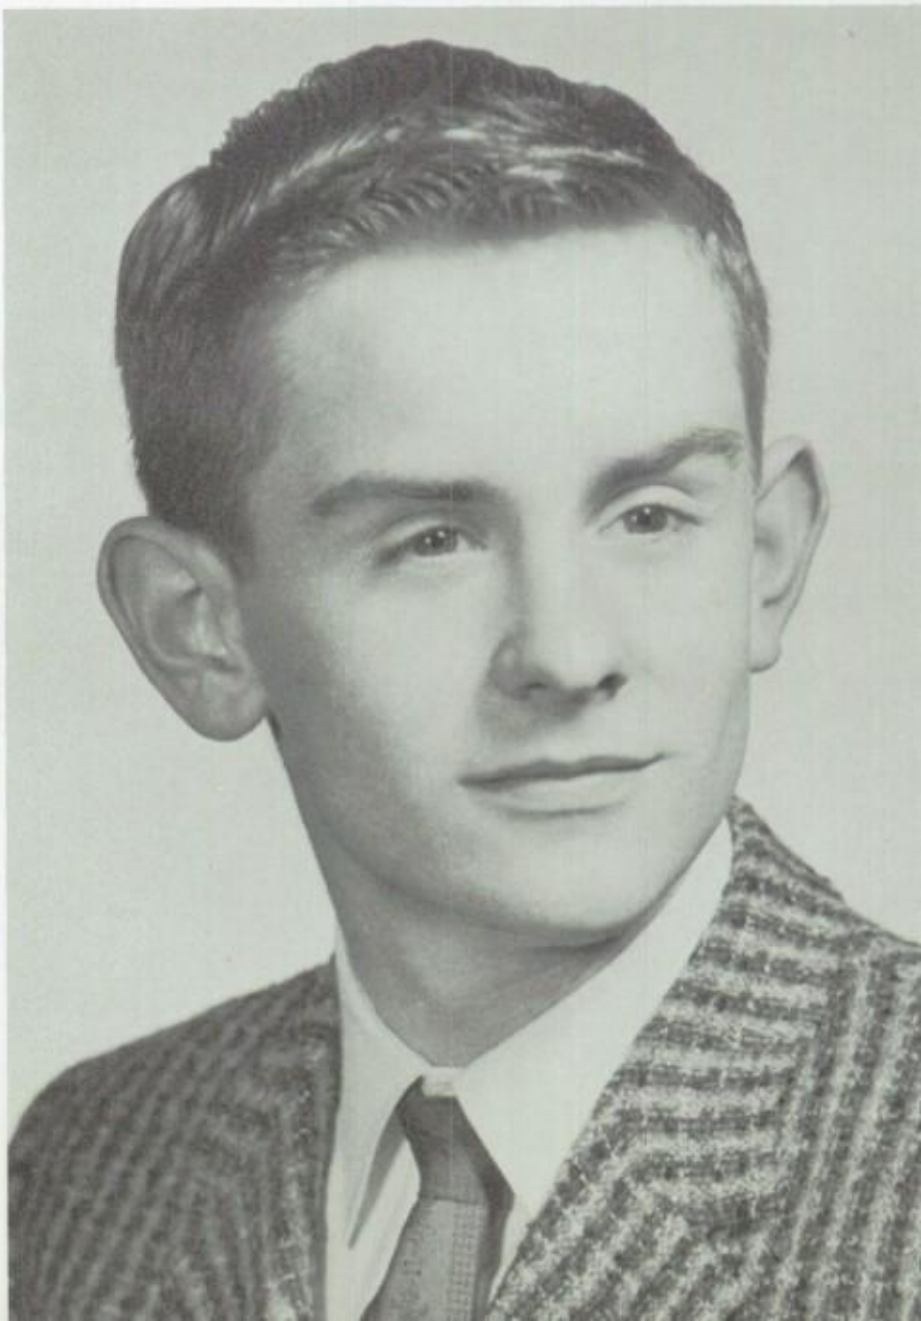
Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

GEORGE MELODY

IN MEMORIAM



Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of time and place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
